*denotes fewer than 5 pupils

n/a - not applicable, no pupils in the final year of an A-level (or equivalent) course

The information contained in this table does not provide a valid basis for comparing performance between schools as it takes no account of the intakes of the schools or of any other factors that may affect pupil performance.

No single measurement can constitute a fair or accurate evaluation of a school, but should be considered in the context of other information about a school and its pupils; these data should be interpreted in that light.
